Title : Individual Single-Vision Spectacle Lens

SUBMISSION OF SUBSTITUTE SPECIFICATION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Attached are a Substitute Specification and a marked-up copy of the original specification. I certify that said substitute specification contains no new matter and includes the changes indicated in the marked-up copy of the original specification. The term "single-vision" is a more appropriate translation of the term "single-strength" and has thus replaced the latter in this Substitute Specification.

Respectfully submitted,

August 30, 2006
